

**REMARKS**

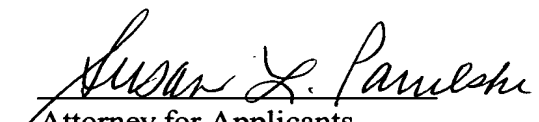

This letter is responsive to the Official communication dated January 22, 2004 indicating that Applicant's Amendment filed on November 14, 2003 was not fully responsive because Applicant did not respond to the Obviousness-type Double Patenting rejection.

While Applicant believes that the claims of the instant application are patentably distinct from claims 21-25 of co-pending U.S. Patent Application No. 10/036,828, to promote prosecution of the instant application, Applicant is filing on even date a Terminal Disclaimer in compliance with 37 CFR 1.321(c).

The application is believed to be in condition for allowance. Accordingly, reconsideration and favorable action are respectfully solicited.

The Commissioner is hereby authorized to charge any fees in connection with this communication to Eastman Kodak Company Deposit Account No. 05-0225. **A duplicate copy of this communication is enclosed.**

Respectfully submitted,
